## Abbreviations:

M1 = make 1: lift loop between stitches, knit into the back of it  
y = yarn forward  
ssk = sl1 k1 pss0

If you prefer knitting in the round: cast on 90 sts; the inc round does not have the k2 at the end; subsequent rounds do not have k1 at beginning and end of rows.

To decrease/increase the size cast on 9 sts less/more. Starting at the increase row the instructions are the same but the repetition is decreased to 9 times/increased to 11 times.
